In what way you can show your God’s love to the following. Write your answer inside the heart shape.

Love is a key attribute of God in Christianity. 1 John 4:8 and 16 state that "God is love; and he who abides in love abides in God, and God abides in him." John 3:16 states: "God so loved the world..." In the New Testament, God's love for humanity or the world is expressed in Greek as *agape* (ἀγάπη).

- We know that God loves us (John 3:16) and that God IS love (1 John 4:8).
- God has also written a book about "love languages" — the Bible! In the Bible is the purest and clearest revelation of what love really is. God's love languages include, but are not limited to, acts of service (His works), words of affirmation (His Word), gift giving (His grace), touch (His "hugs"), and quality time (His presence)

**LET'S DIG IN!**

**Jesus is the five love languages of God.**

1. **He is the ultimate Gift of God to us.** He was given at the greatest cost, for the greatest purpose, to be the solution for the greatest need, when we were least worthy.
2. **He is the Word of grace of truth,** the ultimate dynamic of true affirmation. Being all grace unfortunately results in liberal sentimentalism, with no backbone for true justice. But being all truth all unfortunately results in cold-hearted fundamentalism, with no acceptance for true love. But Jesus exudes the perfect balance, who died for our sins to fulfill all justice, but who gives his righteousness as a gift to display only grace.

- 3. **He is the embodiment of Quality Time**, for he is the same yesterday, today, and forever, and whose presence will never be exhausted from you (Heb. 13:5,8). In Christ, you can approach God with confidence whenever because Christ reigns as your mediator forever (Heb. 4:6;3:12).
- 4. **He is the ultimate example of Acts of Service**, “who, though he was in the form of God, did not count equality with God a thing to be grasped, but emptied himself, by taking the form of a servant, being born in the likeness of men. And being found in human form, he humbled himself by becoming obedient to the point of death, even death on a cross” (Ph. 2:6-8).
- 5. **He is the ultimate example of Physical Touch**, who, while he was transcendent, became descendent, incarnating into our nature, being the God-man who alone could bridge the gap between God and fallen man

**WORDS TO PONDER**

- ✓ Overall, God says that if you want to know who He is, then look at Jesus. And Jesus says, if you want to know who God is, look at Him. For Jesus is the “radiance of the glory of God and the exact imprint of his nature” and “the image of the invisible God” (Heb. 1; Col. 1).
- ✓ So when you think about how you like to give and receive love, be assured that God has first given that type of love to you, and that you can ultimately know His love by the person and work of Jesus. Whatever love language you are and whatever longings you need fulfilled, God has fulfilled it.
- ✓ Jesus, indeed, is this standard and the ultimate example for all these languages.
