The Bible's Definition of Love

Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing, but rejoices with the truth.

4 TYPES OF LOVE

- ✚ Eros: erotic, passionate love. We might as well get that one out of the way first.
- ✚ Philia: love of friends and equals
- ✚ Storge: love of parents for children
- ✚ Agape: love of mankind.

LET'S DIG IN!

COMPLETE THE WORD "L_V_ O_E A_OT_E_"

DISCUSSION:

- **How can I love my enemies?** How can I love those who cause violence or pain to others? How can I love when I am stuck in my own judgments of others? These are not easy questions to deal with, yet Jesus loved all and called us all his friends.
- **God's love is not a superficial love-** he doesn't just say the word. God loves us so much he gave his only begotten Son in order for us to live. True friends will lay down their lives for one another. This is real love.
- **God is teaching us to love one another.** This reminds us of the saying 'treat others as you want to be treated. We all accept the love that others give us, but are we as quick to give that love as we are to receive it? Today God is teaching us to love others as he loves them. God loves all people no matter their economic status, education level, body type or what others think of them. Jesus exemplifies how we should express this love to all people.

John 15:12-13 "My command is this: Love each other as I have loved you. Greater love has no one than this: to lay down one's life for one's friends."

- **Love always calls us to prefer the needs of others rather than living for our own desires.** This is exactly what God did when He sent His only Son Christ into the world to die for sinners. God's love enabled others to participate in His great program and reap those rewards. God's kingdom is a kingdom of love.

God is love. Since God is love, as we yield to that relationship to the Son, love flows from us. And it will have the qualities that His love has. He goes on to define for us the aspects of love that mark the quality of His love for us, which we also are to show to one another.

This is love: not that we loved God, but that he loved us and sent his son as an atoning sacrifice for our sins. God demonstrates his love first through his [covenant](#) with Israel, then through the gift of his son Jesus. God empowers us to love one another as we abide in his Spirit.
